

# Trends in Louisiana Chemical Exposure Cases

September 22, 2016  
12 noon – 1 p.m.

U.S. District Court – EDLA  
500 Poydras Street, Room C-268, New Orleans, Louisiana

Please join **Craig Isenberg**, *Barrasso Usdin*, for a one hour CLE that will explore current trends in Louisiana chemical exposure cases.

- Does the defendant have the burden of proof?
- Is scientific evidence needed to prove causation?
- Can fear of future injury be established by a plaintiff's lay testimony without a supporting scientific basis?
- How are general damages to be calculated and do objective measures of harm, such as medical expenses and missed work, factor into the calculation?

A light lunch will be offered.
